New Finishes: Shadow and Mist

Shadow

1" Thick - Flat Panel and Flat Edge

A luxurious grey surface finish with smooth beige undertones. This unique and robust surface finish is perfect for those looking for a dark surface finish with just the right amount of light to open your space up.

For fans of : Graphite Wood, Midnight, and Skyline surface finishes

Mist

1" Thick - Flat Panel and Flat Edge

A soft and delicate surface finish with extreme versatility. Our Mist surface finish will give your space a cool and warm feel with a powerful punch of grey for a bold and distinguished look.

For fans of : Pearl, Grey like-a-tree and Silverwood surface finishes
