

X-series Table Base

INTRODUCING THE X SERIES TABLE BASE

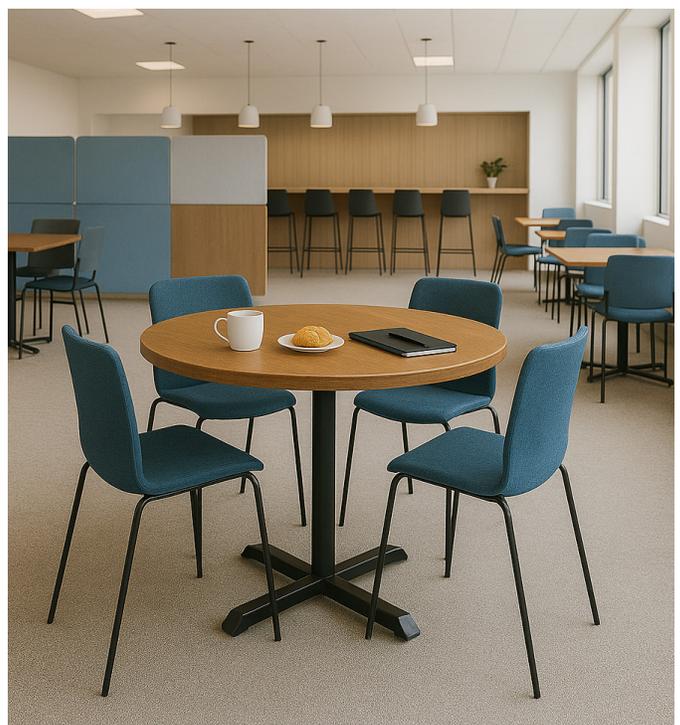

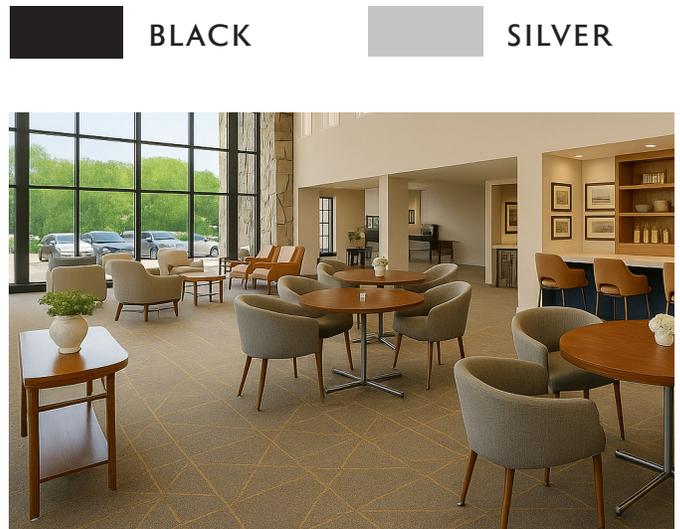

TRANSFORM ANY SPACE WITH ONE BRILLIANT SOLUTION

Say hello to the X Series Table Base...

The versatile foundation that adapts to every corner of your facility. Whether you're designing an inspiring training center, an energizing cafe space, or a sophisticated boardroom, the X Series gives you the freedom to create cohesive, beautiful environments without the complexity.

Choose Your Style. Define Your Space.

Select from sleek **Black** or refined **Silver** finishes, then pick your profile. Streamlined Flat for contemporary edge or smooth Tubular for timeless appeal. With three height options at your fingertips, you're not just buying a table base. You're unlocking unlimited design possibilities.

SILVER

FLEXIBILITY MEETS FORM

The X Series Table Base is furniture flexibility solved. When every space has different needs but your design deserves consistency, the X Series delivers.

One base, infinite configurations.

The Perfect Height for Every Moment

- 29 in. General Purpose
Classic comfort for focused work and dining
- 36 in. Cafe
Energizing spaces where ideas flow freely
- 42 in. Standing
Dynamic zones that keep teams moving and collaborating

Supports Multiple Top Shapes

- Tabletop shapes:
Boat, Racetrack, Rectangular, Round, Square or Custom conference configuration
- Standard grommet placement
- Various power and wire management accessories available

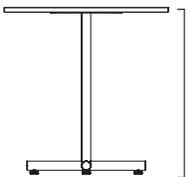

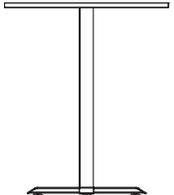

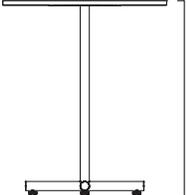

Commercial Construction

- Stable X-profile design
- Supports large conference tables
- Built for high-traffic environments
- Easy to install and maintain
